SMTH (Signal Maintenance Testing Handbook) Competent Tester Pre-Practical Knowledge Test

Number of delegates: 6
Duration: 1 hour
Location: Horsley Cross

Who should attend

Infinity Training is an RTAS-assured training and assessment provider (RTAS0506), approved to complete this assessment.

This event is only for Competent SMTH testers who intend to complete the SMTH practical assessment within the next 12 months.

Objectives

The objective of this session is to provide the individual with an opportunity to complete the Pre-Practical Knowledge Test prior to their practical assessment.

Please note, no training is permitted with this event.

Learning approach

This is a controlled theory test only and no training is provided on the day. A well-prepared individual would review relevant sections within the SMTH and SMS prior to attending.

The event consists of registration and ID / SMTH checks followed by one hour theory assessment under exam conditions. The papers are then marked and results provided to delegates.

For training events please see SMTH Refreshers and SMTH Initial courses.

Pre-requisites

Delegates must have a valid SMTH competence on Sentinel.

For more information or to make a booking, please email info@infinity-training.co.uk
