Small Tools

Number of delegates: 6
Duration: 1 day
Location: Horsley Cross

Who should attend

Delegates who are required to use a variety of small tools in a safe and professional manner.

Objectives

On successful completion of the training course delegates will be able to:

- Inspect and check the tool is suitable for its use
- Demonstrate safe use of the tool
- Know which tools require calibration
- State how to deal with a defective tool
- Know what tools are suitable for different sites

Learning approach

80% theory-based using PowerPoint presentations, demonstrations, videos and open discussions
20% practical-based demonstrations and practical exercises
Individual practical and theory assessments taken on completion of the course.

Pre-requisites

Good understanding of the English language.
Suitable work wear must be worn for practical demonstrations and assessments.
